Subject:	Auction 83 FM Translator Application Selection
Date:	Friday, January 25, 2013 4:19:10 PM

Northeast Pennsylvania Educational Television Association (FRN 0003263829) (the "Applicant"), an applicant with two pending short-form applications for new FM translators in an Appendix A market in Auction 83, by its engineering consultant, hereby advises the FCC that the Applicant:

* SELECTS TO CONTINUE PROSECUTING its pending short-form application for a new FM translator on Channel 296 at Reading, PA (FIN 151079) (File Number BNPFT-20030317AIX); and

* REQUESTS DISMISSAL of its pending short-form application for a new FM translator on Channel 221 at Reading, PA (FIN 141553) (File number BNPFT-20030317AIR).
