Dale,

Yesterday, I filed a request for an STA (BSTA-20150317AAK) to operate W231BR, Manchester, NH, at low power after the transmitter site for the licensed facility lost electric power. The power was restored last night, much quicker than anyone estimated, and the STA will not be necessary. I wanted to catch you today before you started reviewing the request and generating a letter.

Therefore, please dismiss STA request BSTA-20150317AAK.

Thanks, Gary
