This e-mail is in regard to license application BLH-20080904AAQ for WUPF. Program test authority is requested for full power operation in accordance with Construction Permit BPH-20080422AAY. We have reviewed the license application and related exhibits and find it to be acceptable for filing.

Consequently, by this e-mail, program test authority IS GRANTED to permit WUPF(FM) to operate with an effective radiated power (ERP) of 25.0 kW (circularly polarized) with the facilities authorized in Construction Permit BPH-20080422AAY.

This authority is being sent by e-mail in lieu of a letter in order to get this authority to you as soon as possible. Please print a copy of it and keep it with the station's records. The grant of this program test authority will also be noted in the FCC's CDBS database.

Please notify me by e-mail when full power operation has commenced. If there are any questions, please contact me at 202-418-2715.
