**Re: FM Translator K269AE, Boulder, CO (FID 26927)
Request for Silent STA**

Dear Audio Division:

On behalf of KSE Radio Ventures, LLC (“Licensee”), FRN 0024972499, we hereby submit the following Request for Silent STA for FM Translator K269AE, Boulder, Colorado, FID 26927.

FM Translator K269AE went off the air on December 30, 2021 (Notification of Suspension of Operations was filed through CDBS). The tower was damaged in the recent fires in Boulder, Colorado. We are currently assessing the extent of the damage which may take additional time, as the area is not easily accessible.

Licensee is in the process of making assessments and taking all steps necessary to resume normal operation in a timely fashion.

Licensee respectfully requests that the Commission grant its request for Special Temporary Authority to remain silent.

Anti-Drug Abuse Act Certification is attached.
