RE: FM Broadcast Station WGMX, Facility ID 65663, Marathon FL  
*Notification of Silent Operation and Request for STA*

Dear Ms. Dortch:

On behalf of The Great Marathon Radio Co., licensee of FM Broadcast Station WGMX, Marathon, Florida, this letter is written to notify the Commission that the station went silent on January 19, 2022, and to request Special Temporary Authority to remain silent.

The WGMX transmitter site is without electric power. In order to continue to provide service to the public, WGMX operated from a temporary site for several years. It resumed temporary operation at its licensed site earlier this year with reduced power, using a portable generator on site. Due to the cost of maintaining operation in this mode, WGMX has gone silent. The licensee anticipates that electric power may be restored to the site this year.

There is no filing fee for this notification and request.

The licensee's Anti-Drug Abuse Certification is enclosed.

Respectfully submitted,

JWK/
