Re: WYEA(AM), Sylacauga, AL (Facility No. 70638)
Request for STA to operate at reduced transmitter power

Dear Ms. Dortch:

Marble City Media, LLC (“Marble City”), by its counsel, hereby requests Special Temporary Authority (“STA”) to operate AM radio station WYEA, Sylacauga, Alabama (fac id 70638) (“Station”) with reduced transmitter power of 50 watts daytime pending repair of the station’s transmitter. Nighttime power is unaffected as the licensed nighttime power is 50 watts.

This STA is necessary to continue service to the public as the final power amplifier failed due to electrical or lightning damage. An experienced local engineer is assisting the licensee and repairs will be made as soon as possible. The estimated timeframe for return to licensed power is approximately 90 days subject to any delays with delivery of necessary parts.

For the foregoing reasons, Marble City Media, LLC respectfully requests an STA to operate AM radio station WYEA with reduced transmitter power of 50 watts daytime pending repair of the station’s transmitter. Marble City Media, LLC will inform the Commission when the Station is able to resume operating pursuant to the terms of its license. **Confirmation of filing fee payment is attached to this letter.**

Marble City Media, LLC, hereby certifies that neither it, nor any party thereto, is not subject to a denial of federal benefits that includes FCC benefits pursuant to Section 5301 of the *Anti-Drug Abuse Act of 1988*, 21 U.S.C. § 862.

Please direct any questions regarding this matter to the undersigned.

Sincerely,

M. Scott Johnson

Counsel to Marble City Media, LLC.
