Re: Mobile Radio Partners (MRP)
WVNZ(AM), Richmond, VA
Facility Identification Number: 52050
Special Temporary Authority (STA)
BESTA-20220131AAE

Dear Mr. Mazursky:

This is in reference to the request filed on January 31, 2022. MRP requests an extension of the STA originally granted on July 24, 2020, as last modified on August 6, 2021, to operate from the WTOX(AM) tower site to allow time to file the required FCC Form 302 application.¹ In support of the request, MRP stated that it plans to complete all remaining work at the WBTL/WULT site and then file the application to cover BP-20210617AAA.

Requests for extension of STA will be granted only where the licensee can show that one or more of the following criteria have been met:

- Restoration of licensed facilities is complete and testing is underway;
- Substantial progress has been made during the most recent STA period toward restoration of licensed operation; or
- No progress has been made during the most recent STA period for reasons clearly beyond the licensee's control, and the licensee has taken all possible steps to expeditiously resolve the problem.

Accordingly, the request for extension of the STA is **HEREBY GRANTED**, and MRP may continue to operate with the following facilities:

Geographic coordinates	37° 40' 56" N, 77° 33' 50" W (NAD 1927)
Frequency	1320 kHz

¹ WVNZ(AM) is licensed for DA operation on 1320 kHz with 5 kW (day) and 0.008 kW (night), and BP-20210617AAA authorizes operation with 0.72 kW day and 0.014 kW night, using the existing WBTL/WULT tower.

Hours of operation	Daytime only
Operating power	0.3 kilowatt (daytime)
Antenna type	Existing WTOX(AM) tower
Overall height of tower	51.6 m AGL
Electrical height of radiator	80.4 degrees
Antenna efficiency	293.05 mV/m/kW at 1 km

MRP must use whatever means are necessary to protect workers and the public from exposure to radio frequency radiation in excess of the Commission's exposure guidelines. *See* 47 CFR § 1.1310.

This authority expires on **August 10, 2022**.

Sincerely,

Joseph Szczesny, Engineer
