Description:

JUSTIFICATION FOR STA EXTENSION

Genesis Communications of Tampa Bay, Inc. has submitted an application on FCC Form 301 for a construction permit to make minor changes to its facilities. A copy is attached hereo. When this is granted and then a covering license application is filed and granted, the requested STA extension will no longer be required. At present, station WHBO needs an extension of the existing STA in order to lawfully stay on the air while said Form 301 application is processed. It is to be noted that we have not yet received a CDBS file number for this application. We will pay the required application processing fee promptly upon receiving said CDBS number.

Therefore, the public interest, convenience and necessity would be well served by a grant of the requested STA extension.
