REQUEST FOR SPECIAL TEMPORARY AUTHORITY

Station WALQ (AM) Carrville, AL FACID 68309

With this letter, Augustus Foundation, Inc. requests Special Temporary Authority (STA) to operate at reduced daytime power on the noted AM station.

Because of damage to the main transmitter, the station is now operating at the 1kw Critical Hours power level during daytime as well. The operations are from the licensed location and the licensed non-directional radiating element. Repairs are being made to the power modules in the transmitter to permit it to return to licensed operational status at the soonest possible time.

The applicant certifies that all parties to the application are in compliance with Section 5301 of the Anti-Drug Abuse Act of 1988, 21 U.S.C. Section 862, the federal law which provides federal and state court judges the discretion to deny federal benefits to individuals convicted of offenses consisting of the distribution of controlled substances. The applicant further certifies no party to the application is subject to a denial of federal benefits that includes FCC benefits pursuant to that section.

Note that the Licensee is non-commercial educational and is 501(c)(3) tax exempt organization, and thus is exempt from FCC filing fees for requests of this nature.

I certify that the statements made in this application are true, complete, and correct to the best of my knowledge and belief, and are made in good faith.

Respectfully,

Dr. Michael Augustus, Managing Member

NOTICE OF RESUMPTION OF OPERATIONS
Station WALQ (AM) Carrville, AL FACID 68309

With this letter, Augustus Foundation, Inc notifies the Commission that the AM station herein has returned to operations on March 17, 2022 at 6:45AM.

The licensee has made simultaneous request for Special Temporary Authority to operate the station at variance from the licensed daytime power. Because of damage to the main transmitter, the station is now operating at the 1kw Critical Hours power level during daytime as well. The operations are from the licensed location and the licensed non-directional radiating element. Repairs are being made to the power modules in the transmitter to permit it to return to licensed operational status at the soonest possible time.

The applicant certifies that all parties to the application are in compliance with Section 5301 of the Anti-Drug Abuse Act of 1988, 21 U.S.C. Section 862, the federal law which provides federal and state court judges the discretion to deny federal benefits to individuals convicted of offenses consisting of the distribution of controlled substances. The applicant further certifies no party to the application is subject to a denial of federal benefits that includes FCC benefits pursuant to that section.

I certify that the statements made in this application are true, complete, and correct to the best of my knowledge and belief, and are made in good faith.

Respectfully,
