Exhibits

Exhibit 34 Description:

Please See attached Exhibit 34

Broadcast Industry Group, LLC. Radio Station: KLRG

Extension of Existing Engineering STA: BSTA-20210322AAF

Exhibit 34

Reason for STA Renewal:

We have made all of the Listed Repairs after the purchase of KLRG:
Repairs to the Building including new A/C Units, Electrical Wiring and grounding;
Antenna Tuning Unit has been repaired.
The Tower has been Re-lamped, painted.
New Tower Lighting Monitoring Equipment installed.
New Fencing around the Tower Base and All New Signage installed all around the tower site.

Problems Remaining:

Nautel NX-50; We have sent 7 Power Modules to the Factory in Canada for repair twice, and we still have failures.

Despite many calls for help getting them repaired, the problems remain and have continued for the past two years some are due to Covid-19.

I plan to meet personally with the owner of Nautel; Kevin Rogers and his team during NAB Las Vegas 2022 next month in Las Vegas to try and resolve the transmitter issues.

C. Jayson Brentlinger Owner / Consulting Broadcast Engineer
