Dear Ms. Dortch:

On behalf of Public Broadcasting of Colorado, Inc. (the "Licensee"), the undersigned respectfully advises the Commission that the License resumed licensed operation on January 27, 2022, following restoration of the communications equipment by Lumen. The Licensee previously submitted a request for silent Special Temporary Authority via CDBS on January 12, 2022 which no longer requires processing.

Please contact the undersigned should you have any questions regarding this request.

Best regards,
