Re: **Salem Communications Holding Corporation – FRN 0003760352**
Station WTBN(AM), Pinellas Park, FL (Fac. ID 51985)
Application for Station License BMML-20220308AAA

Dear Ms. Dortch:

Salem Communications Holding Corporation ("Salem") is the licensee of both WTBN(AM), facility ID 51985 and WGUL(AM), facility ID 1177 (the stations). The stations share a common broadcast antenna system (diplexed) and such operation requires common filters, traps, and other equipment to prevent interaction, intermodulation and / or the generation of spurious radiation products which may be caused by common usage of the same antenna system by the stations. As the common owner of the stations, Salem will bear all responsibility and costs with regard to the installation and maintenance of such equipment.

Should there be any questions concerning this matter, please contact the undersigned.

Respectfully submitted,
