Subject: [EXTERNAL]: Request for STA for W237FK

You don't often get email from leer@reynoldstechnical.com. [Learn why this is important](#)

CAUTION: This email originated from outside of the Federal Communications Commission. Do not click on links or open attachments unless you recognize the sender and trust the content to be safe. If you suspect this is a phishing attempt, please use the 'Report Message' feature in Microsoft Outlook or forward the email to the NSOC.

To whom it may concern:

W237FK (facility ID 201661), Opp, AL hereby requests a request for STA to remain silent, since its primary station (WAMI) has filed a STA to remain silent. WAMI has lost its tower site lease, and hence its translator will need to be silent as well. W237FK ceased operation on March 25, 2022.

W237FK has filed a license application but hasn't yet been granted. As such, we can't file an STA request via LMS until the license has been granted.

Thank you,
