Colonial Radio Group of Williamsport, LLC  
460 Market Street, Suite 310  
Williamsport, PA 17701

Re: Colonial Radio Group of Williamsport, LLC  
(CRG)  
WZFC(AM), Winchester, VA  
Facility Identification Number: 41809  
Special Temporary Authority (STA)  
BESTA-20220328AAB

Dear Mr. Bartley:

This is in reference to the request filed on March 28, 2022. CRG requests an extension of the STA granted on September 23, 2021, to continue operating using the existing WXVA tower specified in BP-20211213AAE to allow time to file the required FCC Form 302 application due to loss of the licensed site.<sup>1</sup> In support of the request, we noted that CRG will need additional time to prepare and file the application after further action has been taken on BP-20211213AAE.

Requests for extension of STA will be granted only where the licensee can show that one or more of the following criteria have been met:

- Restoration of licensed facilities is complete and testing is underway;
- Substantial progress has been made during the most recent STA period toward restoration of licensed operation; or
- No progress has been made during the most recent STA period for reasons clearly beyond the licensee's control, and the licensee has taken all possible steps to expeditiously resolve the problem.

Accordingly, the request for extension of the STA is hereby GRANTED, and CRG may continue operating with a power level of 0.14 kW (day and night) using the existing WXVA tower. CRG must use whatever means are necessary to protect workers and the public from exposure to radio frequency radiation in excess of the Commission's exposure guidelines. See 47 CFR § 1.1310.

---

<sup>1</sup>WZFC(AM) is licensed for ND operation on 1400 kHz with 1 kW day and night, and BP-20211213AAE proposes ND operation using the WXVA tower with the same power levels..

This authority expires on **October 1, 2022.**

Sincerely,

A handwritten signature in blue ink that reads "Joe Szczesny". The signature is fluid and cursive, with a long horizontal stroke extending from the end of the name.

Joseph Szczesny, Engineer  
Audio Division
