Notification of Silence: KXYS-LP, Marysville, and Request for Stay Silent STA
Facility ID: 197192
FRN: 0030178776

Pursuant to FCC Regulations, Part 73, SS, 73.1740, we hereby notify the Commission that KXYS-LP went silent at 3:02 pm, Monday, March 7, 2022 due to financial issues.

We anticipate needing to be silent for more than 30 days while taking further steps to restore operation, while also seeking a new transmitter site.

We therefore request approval of a Temporary Authorization to Stay Silent.

Please note: We have been unable to determine how to electronically file the Silence notification and Stay Silent STA request using LMS or other FCC internet-based systems. We would appreciate links to the appropriate page and/or database and any instructions on how to do so in the future.

Please feel free to contact me with any questions. We appreciate your help
