RE: **K269GB, Calnevair, NV**
Facility ID No. 156670
Silent since May 21, 2021
Request for Extension of Special
Temporary Authority to Remain Silent

Dear Ms. Sciarrino:

This letter concerns the request you filed on January 31, 2022, on behalf of Aircraft Storage Solutions, LLC (AS), for extension of Special Temporary Authority (STA) to permit FM Translator Station K269GB to remain silent.

Commission records reflect that AS stated that Station K269GB went silent on May 21, 2021, pending the proposed modification of its facilities. The previous STA was granted on August 5, 2021, and expired on February 1, 2022. AS requests extension of its STA due to the COVID-19 emergency.

AS's request is granted. Accordingly, Special Temporary Authority is granted to permit Station K269GB to remain silent until May 21, 2022. **Notwithstanding the grant of this Special Temporary Authority, the broadcast license for Station K269GB will automatically expire as a matter of law if broadcast operations do not resume by 12:01 a.m., May 22, 2022.**¹

AS is required to notify the Commission when broadcast operations resume. If AS does not file the notification of resumption of operations in a timely manner, the license may be subject to cancellation pursuant to section 312(g) of the Communications Act, as amended.²

The station's silent status does not suspend the licensee's obligation to comply with all other relevant Commission rules, including the filing, when appropriate, of applications for renewal of broadcast license. It is imperative to the safety of air navigation that any prescribed painting and illumination of the station's tower shall be maintained until removed.³

Sincerely,

Victoria McCauley
Attorney, Audio Division
