Good morning Vicky—I was out of the office yesterday so Just getting around to responding.

Yes. Station KQLK went back on the air within the 30 day period from the Notification date. As a result , we did not file the STA request.

Here is the email from the local engineer confirming that the station did resume operations on September 22, 2020.

Let me know if you need anything else.

Stay safe.

Transmitter is back on. I plugged KAYD into the HDLink transmitter at the studios in Beaumont and it played through KQLK.. Sounded good.

Greg

Mark--

Our records show that this station has been silent since 8/27/2020. Did this station ever resume operation?

Vicky
