**Subject:** Fwd: [EXTERNAL]: Notification of FM Radio Station Operating at Reduced Power

You don't often get email from suecker@uindy.edu. [Learn why this is important](#)

Dale:

Good afternoon. We have submitted the required Anti-Drug Abuse Certification (confirmation below). What do we need to file next, if anything, in order to receive an STA while we resolve our issue? I can't find an STA form to file in the LMS.

By the way . . . we expect to place an order next week for a replacement transmitter.

Thank you for any direction you can provide.

Please note that all requests submitted to the FCC require an Anti-Drug Abuse certification. Your request cannot be processed until the Media Bureau receives that information. See this site for the Anti-Drug Abuse Certification: : <https://www.fcc.gov/media/radio/anti-drug-abuse-act-certification> . Note that a typed certification is acceptable.

**CAUTION:** This email originated from outside of the Federal Communications Commission. Do not click on links or open attachments unless you recognize the sender and trust the content to be safe. If you suspect this is a phishing attempt, please use the 'Report Message' feature in Microsoft Outlook or forward the email to the NSOC.

Audio Division of the Federal Communications Commission:

This email shall serve as notification to the Commission that non-commercial educational radio station WICR-FM 88.7 in Indianapolis is operating at reduced power due to a main transmitter failure in March. Attempts to repair the transmitter have been unsuccessful, largely due to the age of the equipment. The manufacturer says the needed parts are no longer available.

Therefore, we are requesting a Special Temporary Authorization to allow us to continue operating at reduced power while we purchase and install a new transmitter. Even at a lower power, we are continuing to serve our city of license and still reach the majority of our coverage area.

Please acknowledge the receipt of this notification and advise as to whether additional action is needed in order to be considered for an STA.
