RE: **W290AL, Baraboo, WI**
Facility ID No. 86124
Silent since February 13, 2022
Request for Special
Temporary Authority to Remain Silent

Dear Mr. Tarr:

This letter concerns the request you filed on February 15, 2022, on behalf of Magnum Communications, Inc. (MC), for Special Temporary Authority (STA) to permit FM Translator Station W290AL to remain silent.

MC's request states that Station W290AL went silent on February 13, 2022, for technical reasons.

MC's request is granted. Accordingly, Special Temporary Authority is granted to permit Station W290AL to remain silent not to exceed 180 days from the date of this letter. **Notwithstanding the grant of this Special Temporary Authority, the broadcast license for Station W290AL will automatically expire as a matter of law if broadcast operations do not resume by 12:01 a.m., February 14, 2023.**¹

MC is required to notify the Commission when broadcast operations resume. If MC does not file the notification of resumption of operations in a timely manner, the license may be subject to cancellation pursuant to section 312(g) of the Communications Act, as amended.²

The station's silent status does not suspend the licensee's obligation to comply with all other relevant Commission rules, including the filing, when appropriate, of applications for renewal of broadcast license. It is imperative to the safety of air navigation that any prescribed painting and illumination of the station's tower shall be maintained until removed.³

Sincerely,

Victoria McCauley
Attorney, Audio Division
Media Bureau
