Opus Broadcasting Systems, Inc. (FRN 0003760006)  
Request to Re-Issue License**

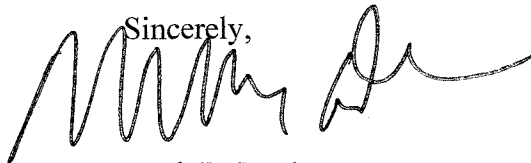

Dear Mr. Szczesny:

Opus Broadcasting Systems, Inc. ("Opus"), by its counsel, hereby requests that the Commission re-issue the license associated with KEZX(AM), Medford, Oregon (Facility No. 23032) ("Station"), to fix all errors that may exist as a result of the Commission's transition from paper licenses to the CDBS.

Attached are copies of the two most recent licenses associated with the Station: BZ-19970415AB and BL-14076. When the Commission re-issues the Station's license, Opus respectfully requests that the re-issued license contain: (a) the Antenna Structure Registration Number associated with the Station, which is 1034893; and (b) the nighttime nominal power of 0.074 kW.

Please direct any questions regarding this request to the undersigned. Thank you for your attention to this matter.

Sincerely,

Mark B. Denbo
