Re: University of Massachusetts (UMass)
WFPB(AM), Orleans, MA
Facility Identification Number: 8591
Special Temporary Authority (STA)
BESTA-20220323AAD

Dear Ms. Domeniconi:

This is in reference to the request filed on March 23, 2022. UMass requests a final extension of the STA granted on September 9, 2019, to operate from an alternate site with a whip antenna to allow time to file the required FCC Form 302 application to cover BP-20200511AAR.¹ In support of the request, UMass estimate that construction will be completed within the next several months.

Requests for extension of STA will be granted only where the licensee can show that one or more of the following criteria have been met:

- Restoration of licensed facilities is complete and testing is underway;
- Substantial progress has been made during the most recent STA period toward restoration of licensed operation; or
- No progress has been made during the most recent STA period for reasons clearly beyond the licensee's control, and the licensee has taken all possible steps to expeditiously resolve the problem.

Accordingly, the request for extension of the STA is hereby GRANTED, and UMass may continue to operate with the following facilities:

Geographic coordinates	41° 44' 51" N, 69° 58' 30" W (NAD 1927)
Frequency	1170 kHz
Hours of operation	Daytime only
Operating power	0.025 kW

¹ WFPB(AM) is licensed for ND daytime-only operation on 1170 kHz with 0.67 kW, and BP-20200511AAR authorizes construction of a 1 kW daytime-only HEBA antenna system at a new transmitter site.

Antenna type
Electrical height of radiator
Antenna efficiency

Information Specialists, Inc. ANXX whip
6.5°
22 mV/m/kW/km

UMass must use whatever means are necessary to protect workers and the public from exposure to radio frequency radiation in excess of the Commission's exposure guidelines. *See* 47 CFR §1.1310.

This authority expires on **November 8, 2022.**

Sincerely,

A handwritten signature in blue ink, appearing to read "Joe Szczesny". The signature is stylized with large loops and a cursive script.
