Dear Audio Division Staff:

On behalf of Carter Broadcasting Corporation, licensee of Station WACE(AM), Chicopee, Massachusetts, we hereby request that the Commission expedite processing of the above-referenced site modification application. The station is currently silent. The equipment must be removed from the site by June 1, 2022, when the site will be sold and WACE's tower dismantled. The station needs the authority to construct at a new site to resume operations. Expedited processing will allow the station to return to service sooner and serve the public.

Should there be any questions regarding this matter, kindly communicate directly with this office.

Respectfully submitted,

Melodie A. Virtue
Its Attorney
