RE: Request to Extend Engineering Special Temporary Authority

KSDO San Diego, CA
FACID: 51166
BESTA-20211206AAA

Dear Madam Secretary:

On behalf of Hi-Favor Broadcasting LLC, licensee, you are respectfully requested to extend special temporary authority for station KSDO to continue operation from an alternate tower site at 2500 watts ND with a drop wire antenna due to loss of licensed tower site.

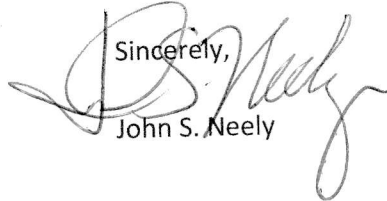

During this STA period, the licensee has confirmed reasonable tower site assurance and is completing a construction permit application for licensed operation which it anticipates being ready to file shortly.

STA is in the public interest so that the station may continue to broadcast important information to its listening audience until repairs may be completed.

Applicant certifies that neither applicant nor any party to the application is subject to denial of federal benefits pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988, 21 U.S.C. Section 862.

Please address any questions concerning this matter to the undersigned.

Sincerely,

John S. Neely
