Re: IHM LICENSES, LLC; FRN 0014042816
Request For Emergency Antenna
WOR(AM), Facility ID 7710, New York, NY

Dear Ms. Dortch:

On behalf of IHM LICENSES, LLC, licensee of WOR(AM) Facility ID 7710, New York, NY (the "Station"), this letter is to request Special Temporary Authority ("STA") to continue service with an emergency antenna.

An antenna for WXBK(FM) is being added to the facility via permit BPH-20190213ABC. We request to operate both day and night with non-directional element 2, ASRN 1237849 with 25% of licensed power in each mode, as construction requires. After construction is complete we wish to operate with parameters at variance while the antenna for WOR is proven to be in adjustment

The interests of the public will be served by the station continuing to operate as these improvements are made to the facility

Please direct any inquiries regarding this matter to the undersigned.

Respectfully submitted,

A handwritten signature in black ink that reads "Troy Langham".
