RE: WVVL(FM), Elba, AL
Facility ID No. 19141
Silent since September 1, 2021
Request for Extension of Special
Temporary Authority to Remain Silent

Dear Mr. Holderfield:

This letter concerns the request you filed on April 22, 2022, on behalf of Boll Weevil Communications, LLC (BWC), for extension of Special Temporary Authority (STA) to permit FM Radio Station WVVL to remain silent.

Commission records reflect that BWC stated that Station WVVL(FM) went silent on September 1, 2021, for technical reasons. The previous STA was granted on November 4, 2021, and expired on May 3, 2022. BWC requests extension of its STA for continuing technical reasons.

BWC's request is granted. Accordingly, Special Temporary Authority is granted to permit Station WVVL(FM) to remain silent until September 1, 2022. **Notwithstanding the grant of this Special Temporary Authority, the broadcast license for Station WVVL(FM) will automatically expire as a matter of law if broadcast operations do not resume by 12:01 a.m., September 2, 2022.**¹

BWC is required to notify the Commission when broadcast operations resume. If BWC does not file the notification of resumption of operations in a timely manner, the license may be subject to cancellation pursuant to section 312(g) of the Communications Act, as amended.²

The station's silent status does not suspend the licensee's obligation to comply with all other relevant Commission rules, including the filing, when appropriate, of applications for renewal of broadcast license. It is imperative to the safety of air navigation that any prescribed painting and illumination of the station's tower shall be maintained until removed.³

Sincerely,

Victoria McCauley
Attorney, Audio Division
Media Bureau
