Re: IHM LICENSES, LLC; FRN 0014042816
Request for STA
KTOK (AM), 1000 kHz, Oklahoma City, OK, Fac ID No. 11925

Dear Ms. Dortch:

On behalf of IHM LICENSES, LLC, licensee of KTOK (AM), 1000 kHz, Oklahoma City, OK, Fac ID No. 11925 (the "Station"), this letter is to request Special Temporary Authority ("STA").

The array switching and control system for KTOK has failed, and the station can operate with the daytime directional facility only. We are requesting Special Temporary Authority ("STA") to operate during both day and nighttime hours with power reduced to 1,250 watts, using the day directional facility during both day and night hours.

We are attempting to diagnose and repair this switching system to return to normal operations at this time and believe it is in the best interest of the public for KTOK to continue night service with this more limited facility.

Please direct any inquiries regarding this matter to the undersigned.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Troy Langham".
