**Re: Mainstreet Media of Colorado, LLC – Request for Extension of Existing Engineering STA; KKCL, Golden, CO (Facility ID No. 161314)**

Audio Division Staff:

Mainstreet Media of Colorado, LLC (“Licensee”) licensee of KKCL(AM), 1550 kHz, Golden, CO (Facility ID No. 161314) (the “Station”), by its undersigned attorneys, hereby requests an extension of its existing Engineering Special Temporary Authority (“STA”), granted pursuant to File No. BSTA-20181210AAU, which the Federal Communications Commission (“FCC”) most recently extended by BESTA-20220125AAD.

As stated on previous STAs, the Licensee was unexpectedly forced to move from their leased tower site. Licensee has diligently attempted to move to an alternate site, but faced significant delays due to the COVID-19 pandemic in finding a new and suitable location for the tower. In January 2022 when the most recent STA was filed, the Licensee had found a new site and was finalizing its lease. The licensee has made substantial progress on moving to its new site and anticipates that this will be the last STA extension. Accordingly, Licensee hereby respectfully requests an extension of its existing STA. Licensee also plans to submit a Form 301 modification with respect to the new site in short order so that it may complete the move.

Licensee hereby certifies that neither it nor any party to this application is subject to denial of federal benefits pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988, 21 U.S.C. § 862. Licensee also hereby certifies that the statements here are true, complete, and correct to the best of its knowledge and belief, and are made in good faith.

Respectfully submitted,

/s/ Francisco R. Montero
