Troy G. Langham, VP TRA IHM Licenses, LLC 7136 Yale Avenue, Suite 501 Tulsa, OK 74136

Re: IHM Licenses, LLC (IHM) WDIZ(AM), Venice, FL

Facility Identification Number: 3060 Special Temporary Authority (STA)

BESTA-20220815AAA

Dear Mr. Langham:

This is in reference to the request filed on August 15, 2022. IHM requests a further extension of the STA granted on October 2, 2017, to continue operating at night using the daytime pattern with reduced power (due to the loss of the third nighttime tower) to allow time to file the required FCC Form 302 application. In support of the request, IHM stated that additional time is needed to complete all changes and then file the application to cover BP-20201216AAC.

Requests for extension of STA will be granted only where the licensee can show that one or more of the following criteria have been met:

- Restoration of licensed facilities is complete and testing is underway;
- Substantial progress has been made during the most recent STA period toward restoration of licensed operation; or
- No progress has been made during the most recent STA period for reasons clearly beyond the licensee's control, and the licensee has taken all possible steps to expeditiously resolve the problem.

Accordingly, the request for extension of the STA IS HEREBY GRANTED, and IHM may continue to operate at night using the daytime DA pattern with a maximum

-

¹ WDIV(AM) is licensed for DA operation on 1320 kHz with 5 kW day and 1 kW night using different patterns, and BP-20201216AAC authorizes a new two tower nighttime DA pattern with reduced power.

nominal power of 0.25 kW (with no change to the licensed daytime 5 kW operation). IHM must reduce power or cease operation if complaints of interference are received, and use whatever means are necessary to protect workers and the public from exposure to radio frequency radiation in excess of the Commission's exposure guidelines. See 47 CFR 1.1310.

This authority expires on February 23, 2023.

Sincerely,

Joseph Szczesny, Engineer

Audio Division Media Bureau
