On behalf of Fieldview Broadcasting, LLC, licensee of KWBG(AM), Boone, Iowa (FAC: 22978) we would like to request special temporary authority to operate KWBG(AM) at variance of its licensed authorization. The station is operating at 500 watts non-directional at night due to technical issues. The licensee had expected to have repairs done by now, but they have dragged on and they inadvertently overlooked the fact that they had not filed a request for special temporary authority before now.

Applicant certifies that neither applicant nor any party to the application is subject to denial of federal benefits pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988, 21 U.S.C. Section 862. Once the FCC file number is generated, the licensee will promptly submit the filing fee for this extension of STA request.

Best regards,
Tracey
