## Exhibits

### Exhibit 34 Description:

Since the grant of our most recent STA extension request on March 14, 2022, the FCC granted a construction permit for WHBO to make permanent changes to its licensed facilities on May 6, 2022, File No. BP-20220202AAH. We hope to begin the implementation of these authorized changes within the next 30 days. The public interest, convenience and necessity would be well served by a grant of the requested STA extension, which will allow WHBO to remain on the air during this process.
