RE: Broadcast Station WATX, Facility ID 42658, Hamden CT
Request for Extension of STA for Emergency Antenna

Dear Ms. Dortch:

On behalf of Clark Media, LLC, this letter is written to request an extension of Special Temporary Authority granted in FCC File No. BESTA-20220419AAD to permit the station to continue to operate from an alternate site with long wire antenna following the loss of the licensed transmitter site.

Clark Media plans to construct fully-licensed WATX facilities using a low-profile High Efficiency Broadband Antenna (HEBA), due to height and land constraints. Clark Media plans to seek authorization for such facilities at such time as the Commission will consider HEBA for nighttime operation.

Accordingly, an extension of the previously granted STA is respectfully requested. There is no filing fee for this request. The licensee's Anti-Drug Abuse Certification is enclosed.

Respectfully submitted,

JWK/
