LMS File No. BNPDTL-20100505AJO

Dear Former Permittee:

This is with respect to the above captioned expired construction permit. Commission records indicate that you failed to file an application for license to cover by the construction permit expiration date of February 12, 2022.<sup>1</sup> Section 74.788(b) of the Commission's rules states that:

Any construction permit for which construction has not been completed and for which an application for license or extension of time has not been filed, shall be automatically forfeited upon expiration without any further affirmative cancellation by the Commission.<sup>2</sup>

As such, the construction permit was automatically forfeited.

Accordingly, pursuant to sections 74.788(b) of the Commission's rules, the construction permit for the station referenced above was **AUTOMATICALLY FORFEITED** and the call sign has been **DELETED**.<sup>3</sup> All authority to construct the stations have been **TERMINATED**.

Sincerely,

/s/

Mark Colombo  
Associate Chief, Video Division  
Media Bureau

Cancellation of the station's construction permit and deletion of its call sign by Media Bureau staff in the Licensing and Management System (LMS) is an administrative function and does not constitute an official Commission action nor require any affirmative cancellation by the Commission.
