Re: Alamance Media Partners, Inc. (AMP)
WSML(AM), Graham, NC
Facility Identification Number: 740
Special Temporary Authority (STA)
BESTA-20221108AAC

Dear Mr. Marsh:

This is in reference to the request filed on November 8, 2022. AMP requests a further extension of the STA granted on February 12, 2021, to continue operating daytime-only using the licensed site tower to allow time to file the required FCC Form 302 application.¹ In support of the request, AMP stated that it plans to file the application after all remaining modifications to the WPCM tower site have been completed in the upcoming months.

Requests for extension of STA will be granted only where the licensee can show that one or more of the following criteria have been met:

- Restoration of licensed facilities is complete and testing is underway;
- Substantial progress has been made during the most recent STA period toward restoration of licensed operation; or
- No progress has been made during the most recent STA period for reasons clearly beyond the licensee's control, and the licensee has taken all possible steps to expeditiously resolve the problem.

Accordingly, the extension of the STA IS HEREBY GRANTED, and AMP may continue to operate daytime-only with the licensed 10 kW daytime antenna system with no nighttime operation (since unable to repair the licensed nighttime directional antenna system over the past year). AMP must use whatever means are necessary to protect workers and the public from exposure to radio frequency radiation in excess of the Commission's exposure guidelines. See

¹ WSML(AM) is licensed for operation on 1200 kHz with 10 kW day (ND) and 1 kW night (DA), and BP-20211007AAH authorizes use of the WPCM(AM) tower with 4.6 kW day, and 0.008 kW night.

47 CFR §1.1310. AMP must submit an e-mail to my attention to note the date the application was filed with the AudioFilings team (to verify no further temporary operation at the old licensed site will be needed).

This authority expires on **May 17, 2023**.

Sincerely,

A handwritten signature in blue ink, appearing to read "Joe Szczesny". The signature is stylized with a large loop for the "J" and a long, sweeping line for the "S".
