RE: Construction Permit Expirations

Dear Former Permittee:

This is with respect to the expired construction permits listed in the attached Appendix. Commission records indicate that you failed to file an application for license to cover by the construction permit expiration date.¹

Section 74.788(b) of the Commission's rules states that:

Any construction permit for which construction has not been completed and for which an application for license or extension of time has not been filed, shall be automatically forfeited upon expiration without any further affirmative cancellation by the Commission.²

As such, the construction permits were automatically forfeited.

Accordingly, pursuant to sections 74.788(b) of the Commission's rules, the construction permit for the stations referenced in the Appendix have been **AUTOMATICALLY FORFEITED** and the call signs have been **DELETED**.³ All authority to construct the stations have been **TERMINATED**. All pending applications have been **DISMISSED**.

Sincerely,

/s/

Mark Colombo
Associate Chief, Video Division
Media Bureau

¹ See 47 CFR §§ 74.788(a), (b) and 73.1620(a)(1).

² 47 CFR § 74.788(b).

³ This letter is being sent as a courtesy. Cancellation of the station's construction permit and deletion of its call sign by Media Bureau staff in the Licensing and Management System (LMS) is an administrative function and does not constitute an official Commission action nor require any affirmative cancellation by the Commission. *See e.g., Media Bureau Reminds Remaining Low Power Television and Television Translator Stations that the July 13, 2021 Digital Transition Date and Other Important Deadlines are One Week Away*, Public Notice, DA 21-786 (rel.
