

**REQUEST FOR FURTHER EXTENSION OF SPECIAL TEMPORARY AUTHORITY
TO OPERATE AT REDUCED DAYTIME POWER**

Station: WPYR(AM), Baton Rouge, LA
Facility Id: 47403
Licensee: Catholic Community Radio, Inc.
FRN: 0019399856

Circumstances Requiring Extension of Special Temporary Authority:

Since the FCC's July 13, 2022 extension of Special Temporary Authority BSTA-20220110AAJ to operate at reduced daytime power due to Hurricane Ida damage, WPYR has worked diligently with Kintronics toward completion of a tuning unit to replace the unit at the base of tower #2 that was damaged in Hurricane Ida. Construction of the new tuning unit is nearly complete, and Kintronics has recently begun testing of the new unit through the use of a sample isolation coil from the damaged unit. Once complete, WPYR will work to schedule the site visit and installation of the new unit. To facilitate these final actions, WYPR respectfully requests that its current STA to operate with reduced daytime power be further extended through July 12, 2023.
