**Re: WVNA(AM), Tuscumbia, AL (Facility No. 19457)
Request for Extension of Engineering Technical STA**

Dear Ms. Dortch:

Singing River Media Group, LLC, through its counsel, hereby requests extension of the existing Temporary Authority ("STA") [file no. BESTA-20220628AAC] for Station WVNA(AM), Tuscumbia, AL (fac id 19457) to operate with temporary facilities pending completion of construction of an outstanding granted construction permit.

As set forth in the initial request for an STA, an application for modification of the station was granted by the Commission and a construction permit issued. As an update of the licensee's efforts to build out the CP, progress has been made since the last STA was issued. A new tower has been built, ground system installed and combiner (for operation with companion station WLAY-AM) installed. Also building has been wired and WLAY-AM transmitter was installed. Some adjustments are needed in the

combiner and tower before the engineer can put WVNA into the combiner. That task will be finished as soon as possible.

For the foregoing reasons, Singing River Media Group,LLC respectfully requests an extension of the existing existing STA for station WVNA(AM). Singing River Media Group, LLC will inform the Commission when the construction is complete and a license to cover application is filed to enable the station is operate pursuant to the terms of the construction permit.

Confirmation of filing fee payment is attached to this letter.

Singing River Media Group,LLC, hereby certifies that neither it, nor any party thereto, is not subject to a denial of federal benefits that includes FCC benefits pursuant to Section 5301 of the *Anti-Drug Abuse Act of 1988*, 21 U.S.C. § 862.

Please direct any questions regarding this matter to the undersigned.

Sincerely,

M. Scott Johnson

Counsel to Singing River Media Group,LLC
