Re: Mainstreet Media of Colorado, LLC – Request for Extension of Existing Engineering STA; KKCL, Golden, CO (Facility ID No. 161314)

Audio Division Staff:

Mainstreet Media of Colorado, LLC (“Licensee”) licensee of KKCL(AM), 1550 kHz, Golden, CO (Facility ID No. 161314) (the “Station”), by its undersigned attorneys, hereby requests an extension of its existing Engineering Special Temporary Authority (“STA”), granted pursuant to File No. BSTA-20181210AAU, which the Federal Communications Commission (“FCC”) most recently extended by BESTA-20220805AAD.

As stated on previous STAs, the Licensee was unexpectedly forced to move from their leased tower site. Licensee has diligently attempted to move to an alternate site but faced significant delays in finding a new and suitable location for the tower. Licensee finally found a new permanent location and is still awaiting Commission approval of its minor modification application to move to the site (*see* LMS File No. BP-20220805AAI). Accordingly, Licensee hereby respectfully requests an extension of its existing STA so that the Licensee can continue to broadcast while its minor modification application is pending and, after it is granted, built out.

Licensee hereby certifies that neither it nor any party to this application is subject to denial of federal benefits pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988, 21 U.S.C. § 862. Licensee also hereby certifies that the statements here are true, complete, and correct to the best of its knowledge and belief, and are made in good faith.

Respectfully submitted,

/s/ Francisco R. Montero
