RE: Engineering STA Request for Extension, KYAL-AM, Tulsa OK, Facility ID 35974,

March 20, 2023

To whom it may concern:

KXOJ, Inc., licensee of KYAL-AM, Tulsa OK, facility 35974, requests extension of the Engineering Special Temporary Authorization BESTA-20220920AAA.

Continued economic circumstances and supply issues with manufacturers still not able to deliver all the necessary hardware, remain hindrances to obtaining all the proper equipment necessary to restore KYAL to full power operation. We hope to resolve this in the next few months as circumstances permit.

Should you require further information, please contact me via any method below.

Sincerely,

Tommy Gray
