Facility Identification Number: 67666
File Number: BP-20040109AAF

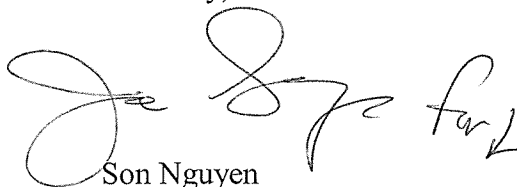

Dear Mr. Tillotson:

This letter refers to the above-captioned minor change application filed by North County Broadcasting Corporation (NCBC); our letter dated September 20, 2007 requesting a curative amendment due to a Mexican objection; and the May 20, 2008 request for additional time to amend until September 1, 2008.

A preliminary review has revealed that the application was not amended by September 1, 2008. As stated in our September 20, 2007 letter, Mexico has objected to the daytime proposal, therefore NCBC must amend the application. All questions concerning the Mexican objection may be discussed with George Fehlner at (202) 418-2197.

Further action on the application will be withheld for a period of 30 days from the date of this letter to provide an opportunity to file a curative electronic amendment. Failure to amend or respond with a request for additional time will result in the dismissal of the application pursuant to 47 C.F.R. § 73.3568.

Sincerely,

A handwritten signature in black ink, appearing to read 'Son Nguyen', with a stylized flourish at the end.
