Re: WVNR(AM), Poultney, Vermont (FID No. 52636)
Surrender or Request for Cancellation of License

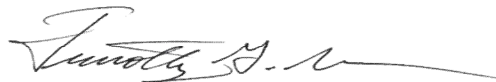

Dear Ms. Dortch:

On behalf of Loud Media LLC (the "Licensee"), licensee of AM radio station WVNR, Poultney, Vermont (the "Station"), this letter shall serve as notification to the Commission that the Licensee desires to surrender or request cancellation of the Station's license, effective immediately.

The Station has been silent since July 1, 2022, pursuant to Commission authority. *See* LMS File No. 0000194526 (granted September 8, 2022). The property on which the tower site for WVNR was located was sold and finding an alternative site from which to broadcast proved fruitless.

If any questions should arise during your consideration of this matter, it is respectfully requested that you communicate directly with this office.

Sincerely,

Tim Nelson
