Good afternoon --

This email is being submitted on behalf of Live Communications, Inc. ("LCI") pursuant to the FCC's Public Notice DA 22-29 (Released January 11, 2022) regarding the suspension of Consolidated Database System (CDBS) filings. The instant filing is not yet accepted in the Licensing and Management System (LMS).

LCI requests approval of a further extension of Engineering STA BSTA-20220706AAC so that it can continue to operate WTAL-AM at an alternate transmitting site with a temporary long-wire antenna while it completes the build out of Construction Permit BP-20220407AAH for new, modified permanent facilities. The current STA Extension (BESTA-20221227AAA) expires on July 8, 2023.

Attached please find a supporting statement, including comments from Engineering Consultant Chris Hall, regarding ongoing delays with the city issuing permits for the completion of the project.

In light of the foregoing, LCI submits that grant of the STA Extension Request is in the public interest so that it can continue broadcast service to the Tallahassee, Florida area.

The FRN for LCI is 0008 6151 22.

Neither LCI nor any party to this request is subject to a denial of federal benefits pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988, 21 U.S.C. Section 862.

Please let us know what the CDBS File Number is so that we can submit payment of the requisite FCC filing fee.

Should any questions arise concerning this submission, please contact the undersigned counsel.

Thank you.
