**Re: KCIK(AM), Kihei, Hawaii (Facility No. 161239)
Relevant Radio, Inc. (FRN 0005032248)
Request for Special Temporary Authority**

Dear Ms. Dortch:

Relevant Radio, Inc. ("RRI"), by its counsel, respectfully requests Special Temporary Authority ("STA") to allow KCIK(AM), Kihei, Hawaii (Facility No. 161239) ("Station") to operate with parameters at variance from the terms of its license.

The Station is co-located with two other AM stations at a site owned by an unaffiliated party. The site's landlord recently advised RRI that a fourth AM station is soon going to be added to the site, and the process of adding that fourth station has resulted in certain technical problems beyond RRI's control. As a result, the landlord has required the Station to reduce power to 3 kW ERP (day and night) while repairs and/or equipment replacement is ongoing.

A grant of this STA request is warranted because the reduced power operations are due to matters beyond RRI's control. Until the landlord allows the Station to resume operating at its licensed power of 5 kW ERP, a grant of this STA request would serve the public interest because it would allow the Station to remain on the air at all times, broadcasting emergency and other information to listeners in Kihei, Hawaii and the surrounding areas. RRI will advise the Commission when the Station is operating pursuant to the terms of its license.

RRI hereby certifies that neither it, nor any party thereto, is not subject to a denial of federal benefits that includes FCC benefits pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988, 21 U.S.C. § 862.
