

Request for Special Temporary Authority

Station KMAJ(AM), Topeka, Kansas (Facility ID No. 42104) is currently operating with 5 kW day and 1kW night power. Due to problems with tower #4, the station is now operating with 1 kW day and night.

Accordingly, Cumulus Licensing LLC respectfully requests special temporary authority pursuant to Section 73.1635 of the Commission's Rules to operate Station KMAJ(AM) with reduced power in order to continue serving its community and the surrounding area.
