

**REQUEST FOR FURTHER EXTENSION OF SPECIAL TEMPORARY AUTHORITY
TO OPERATE AT REDUCED DAYTIME POWER**

Station: WPYR(AM), Baton Rouge, LA
Facility Id: 47403
Licensee: Catholic Community Radio, Inc.
FRN: 0019399856

Circumstances Requiring Extension of Special Temporary Authority:

Since the FCC's BESTA-20230109AAB extension of Special Temporary Authority BSTA-20220110AAJ to operate at reduced daytime power due to Hurricane Ida damage, WPYR has made substantial progress. All damaged parts have now been replaced or repaired. Station phasing has been properly tuned by Kintronics and in initial testing, the station's signal parameters are compliant. Additional field monitoring tests must be completed before construction is complete, and WPYR is working on scheduling that but is limited due to the availability of engineers and testing equipment. To facilitate these final actions, WPYR respectfully requests that its current STA to operate with reduced daytime power be further extended for an additional six months.
