RE: KECR El Cajon, CA  
Facility ID#20977

To Ms. Dortch;

This is to notify you that KECR, 910 AM, licensed to Family Stations, Inc. (FSI) to serve the El Cajon, CA, community resumed its licensed operations on about 7/17/2023 due to corrective action taken by the licensee.

Therefore, KECR is now operating at full power and Day/Night operations according to its license and the Engineering Special Temporary Authority (BESTA-20200514AAC, attached) and its latest filed Extension Request (BESTA-20230713AAA, attached) are no longer required.

The option of filing a Resumption Notice in LMS is not currently available for this Station and therefore FSI is submitting this letter notification until that option is available.

Sincerely,

A handwritten signature in cursive script that reads 'Jennifer D. Burkhiser'.
