Re: Station KKOBB(AM), Albuquerque, NM
Citadel Broadcasting Company
Biannual Statement for AM Synchronous Transmitter
(File No. BZ-940201AG)

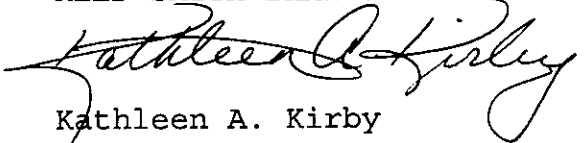

Dear Mr. Caton:

On behalf of Citadel Broadcasting Company, the licensee of radio station KKOBB(AM), Albuquerque, NM, we are submitting herewith, in triplicate, a biannual statement from the licensee concerning KKOBB's synchronous transmitter located in Santa Fe, NM which rebroadcasts the signal of KKOBB. This report provides information to the Commission concerning the operation of this synchronous transmitter subsequent to the previous (June 16, 1994) report.

In the event any further information is needed please do not hesitate to communicate with this office.

Sincerely,

REED SMITH SHAW & McCLAY

Kathleen A. Kirby

Gentlemen:

This is the biannual statement which is required as a term of license for the AM Synchronous Transmitter located in Santa Fe, New Mexico, that rebroadcasts the signal of KKOB-AM, Albuquerque, New Mexico (License File #BZ-940201AG).

Since our last report (June 16, 1994), there have been no problems associated with the Synchronous station operation. There also have been no difficulties reported to us concerning any reception problems either within or outside of the Santa Fe area.

Sincerely

Gary Diamond
Chief Engineer
KKOB AM/FM
Albuquerque, New Mexico
