Re: W250BG(FM), Bristol, Tennessee
Facility Identification Number: 27506
Holston Valley Broadcasting Corporation
Special Temporary Authorization

Dear Counsel:

This is in reference to the request filed May 30, 2008, on behalf of Holston Valley Broadcasting Corporation ("HVBC"), for extension of the special temporary authority ("STA") granted on November 26, 2007, to operate Station W250BG (formerly W249AK) with temporary facilities.

Our review indicates that, subsequent to the filing of the instant extension request, HVBC completed construction of modified facilities authorized by Construction Permit BPFT-20070807AAQ and filed License Application BLFT-20080926ACV, which was granted on October 29, 2008. In light of the foregoing, STA is no longer necessary.

Accordingly, the request for extension of STA IS HEREBY DISMISSED.

Sincerely,

Charles N. Miller, Engineer
