Special Temporary Authorization

Dear Counsel:

This is in reference to the request filed December 12, 2008, on behalf of Entravision Holdings, LLC ("Entravision"). Entravision requests, *inter alia*, Special Temporary Authority ("STA") to permit continued operation of both Expanded Band AM Station KSVE and commonly owned, associated lower band AM Station KHRO, beyond the fifth anniversary of the initial licensing of Station KSVE.<sup>1</sup> In support of the request, Entravision states that the public interest would be served by allowing continued operation of both stations.

In order to provide for continued service to the public, we will grant STA for continued operation of Station KHRO beyond the expiration of the five-year term.<sup>2</sup>

Accordingly, the request for STA IS HEREBY GRANTED. Station KHRO may continue to operate with its currently licensed facilities, notwithstanding Special Operating Condition #2 of License BL-20031204AKA. We extend the Section 73.3555 Note 10 authority for joint ownership to permit continued operation of Stations KSVE and KHRO.

This authority expires on **August 25, 2009**.

Sincerely,

Peter H. Doyle, Chief  
Audio Division
