In re: K207EF, Pahrump, NV
BPFT-20090227ABE
Facility ID No. 48349

Dear Applicant:

This refers to the above-captioned application for K207EF, Pahrump, Nevada.

An engineering study of the application has revealed that it is in violation of 47 C.F.R. § 74.1231(b). Section 74.1231(b) of the Commission's Rules states that a translator may be used for the purpose of retransmitting the signals of a primary FM radio broadcast station or another translator station the signal of which is received directly through the space. The application proposes to rebroadcast KODV (BLED-20051227AAH) by receiving the signal directly off-the-air. The staff has concluded that the proposed translator will not be able to receive the signal directly off-the-air.

In light of the above, the application BPFT-20090227ABE filed by Ondas De Vida Network, Inc. is unacceptable for filing pursuant to 47 C.F.R. § 73.3566(a) and IS HEREBY DISMISSED. This action is taken pursuant to 47 C.F.R. § 0.283.

Sincerely,

James D. Bradshaw
Deputy Chief
Audio Division
