Dear Mr. Holland:

This is in reference to the above captioned applications filed by People's Wireless, Inc. and to the program test authorization granted November 25, 2008,¹ and your February 25, 2009, request for an extension of program test authority.²

Accordingly, the November 25, 2008 program test authority is hereby extended to **April 10, 2009**. No further extension of time to file the requested amendment will be considered. Failure to submit the required amendment by April 10, 2009 will result in the dismissal of the application.

Sincerely,

¹ In the November 25, 2008 letter, we requested that PWI amend the 301 application (BMP-20080715AAR) to include the daytime augmented 302.5° radial and to correct the augmented field of the nighttime 309° radial.

² PWI states that "...the station is in the process of gathering and compiling data in order to utilize the new proof by modeling method for the FCC Form 302..."
